

CELEBRATING 50 YEARS OF WOMEN'S REFUGES IN AUSTRALIA

15-16 March 2024 • University of Technology Sydney

Request for Financial Assistance to Attend Elsie Conference

We understand that the conference registration fee will be a barrier to attendance for some. We want to make sure that there is equitable access to the conference, particularly for those who work or have worked in the refuge/ shelter sector.

We have some funding available to support those facing financial barriers to attend the Elsie Conference. Please fill out the short form below if you are interested in receiving this support.

Any questions, please email elsie@uts.edu.au

Name
Email
Phone Number
Current organisation and position (if any)
Postcode
Do you identify as Aboriginal and/or as Torres Strait Islander?
Do you currently work in the domestic violence or women's refuge sector or a related field?
Have you worked in the domestic violence, women's refuge, or related field in the past?
Can you please provide some brief information about your relevant experience and how it relates to the conference? If you answered yes to the above questions, please let us know the organisation/s you worked in and years worked.

Could you please give us a brief explanation of why you need assistance to attend the Elsie Conference and what you hope to learn or contribute to the conference?

We are working to provide different levels of financial support, as our fund-raising allows. Do you need assistance with:

- Full registration fee
- Partial registration fee *[if partial, please let us know what level of subsidy you need in the box below]*
- Travel expenses
- Accommodation

Is there any other information you would like to share with us?
